Church App Update

Download on the **App Store**

For iOS, you must download The Sharefaith App and then search for Gourd Springs Baptist Church by name in that app and this will then allow the use of your church app on iOS after your church/ministry is selected.

Apple changed their Terms of Use several years ago and they stopped allowing templated-based apps in their store.

GET IT ON **Google play**

The Sharefaith App is also available on GooglePlay, however, Google is still also allowing templated-based apps in their app store so the GSBC app is available there
