

Media/Youth Communication Release

Photographs-Rooted Youth is currently using GroupMe we also have a closed Facebook page, public instagram and the Gourd Springs Church website for communication and posting information, highlighting events, etc. The Rooted Youth also place information in the church bulletin. We strive to take careful precautions and safety measures with social media and websites. This form will serve as approval for Gourd Springs Baptist Rooted Youth to use your child's photograph if needed.

Communication- Here at Rooted Youth we feel it is important to be able to have open communication with you and your youth to provide information related to the ministry or church, events, or for purposes of spiritual support. In these days the digital age is booming where lots of information and communication is easily sent through these avenues. Rooted Youth currently uses GroupMe, Facebook, text message, and email for communication with parents and youth. We will be using the church website as well. You can expect safe and appropriate communication. This release will serve as approval for the Rooted Youth Leaders to have communication with your youth.
