Sherri and I would like to express our love and appreciation for each of you. Thank you for your prayers, phone calls and flowers. Thank you to the choir for the fruit basket. I deeply appreciated those who called to pray with us. We are very appreciative for those who attended the graveside service, it was a great encouragement. I learned much about the need for ministry during our time of grief. Thank you for your ministry to us. May we continue to reach out to others.

Love, Ronnie & Sherri
