Make plans to join us **April 17 at 8am** during Circle of Sisters as we begin the new study **God Space: Where Spiritual Conversations Happen Naturally**

Ever sense God nudging you to say something to a friend, co-worker or family member and don't know what to say? In *God Space* Doug Pollock shows you how the Holy Spirit can do amazing things through ordinary everyday conversations. You'll find fresh insights and practical tools for connecting with others when you read about the real-life stories of how ordinary people learned to engage others in rich spiritual dialogue that open doors instead of slamming them shut. Let Doug Pollock show you how to be a natural voice for the way of Christ!

Jesus alone holds the power to transform a heart, but He asks us to be a part of His work—and promises to walk with us wherever we go.

Reaching people where they live is more than just a strategy; it's about meeting people where they, not we, are most at home. Every one of us can share Jesus' love with others. And there's joy to be had in these conversations, because there is life that comes from sharing how we've experienced Jesus' love ourselves.

EncounterLife offers simple, culturally relevant engagement tools—called “Engagers”—to help you engage others in Gospel conversations.

Sometimes it can be hard to know how to start a spiritual conversation. EncounterLife Engagers are designed to help spark, supplement, or follow-up from these conversations for next steps.

We have Engagers available in the church office!
