Dear GSBC family,  
 It has been an honor and a privilege to serve as the Church Secretary for the last two years. I was asked if I would serve in the job at the exact moment that I needed it. I thought I was helping where I was needed but it turns out it was exactly what I needed. I was struggling with purpose because both Jacob and Noah were preparing to leave home and Sarah was moving into high school and needing me less. Stepping into this position helped me realize God has a plan and a purpose for each of us. I am not one who thought I would ever like office work, but I absolutely love it. I will never forget the day that Pastor Ronnie told me that he believed I was called to that position. I finally felt fulfilled and that I had a purpose. But I also realize that as much as I loved it sometimes God calls us to step out in faith and trust that He has something else He was preparing us for. I just started a full-time job in Bladenboro at Down East Pest Control as one of their secretaries and I am also starting work on an Agribusiness Technology degree at Bladen County Community College. I have not worked a regular job or been to school in over 20 years so I would appreciate your prayers as I move into this next chapter. I say all that to say this: Thank you for letting me serve you. It was truly my pleasure. I love you all.  
 In Christ, Laura
